PREP-DAY PLAN · WEEK OF OCT 18

Four recipes, one flow.

All four meals woven into one sequence, so the oven and burners are never sitting idle and the hands-on work happens while something else cooks.

Total time	Oven	Burners
~1 hr 35	**425°F · 40 min**	**2 + kettle**

0:00 Oven on to 425°F. Do all the chopping in one go: 4 onions, 4 bell peppers, 7 garlic cloves, 2 carrots. Split into bowls by recipe.

OVEN PREHEAT · HANDS · All recipes

0:15 Potatoes into the oven on their own.

Your tweak from last time: a 10-minute head start makes them crispy.

OVEN · Sheet-pan sausage

0:15 Start the ciorbă broth: onion and carrot into water with tomato paste, bring to a simmer.

BURNER 1 · Ciorbă

0:20 While the broth heats, mix the meatballs: ground pork, rice, egg. Roll small.

HANDS · Ciorbă

0:25 Sausage, peppers and onion join the potatoes. Roast 30 min.

OVEN · Sheet-pan sausage

0:25 Drop the meatballs into the broth. Simmer 30 min.

BURNER 1 · Ciorbă

0:30 Brown the chicken thighs, then onion, paprika and pepper. Cover and braise 35 min.

BURNER 2 · Papricaș

0:40 Everything's cooking. Whisk the sesame dressing, smash the cucumbers, slice the scallions. Wash up as you go.

Passive window: the best time for the no-heat recipe.

HANDS · Sesame noodles

0:55 Sheet pan out; let it cool before packing. Ciorbă: stir in borș and lovage, then off the heat.

OVEN OFF · BURNER 1 FREE

1:00 Kettle-boil the noodles for 5 min, rinse cold, toss with the dressing. Meanwhile start the mămăligă on Burner 1, stirring often for 20 min.

BURNER 1 · KETTLE · Noodles · Mămăligă

1:10 Papricaș off the heat: whisk the flour into the sour cream, stir it in.

BURNER 2 OFF · Papricaș

1:25 Pack it up: 4 lunches and 4 dinners into containers, labelled. Done by about 1:35.
